## THY WILL BE DONE

A Spiritual Portrait of Terence Cardinal Cooke by Benedict J. Groeschel, C.F.R. and Terrence L. Weber, with preface by John Cardinal O'Connor

"This is not a biography in the strict, historical sense of the word but rather a spiritual portrait of a great Christian who deeply touched the lives of thousands of ordinary people, one of whom he humbly felt himself to be. And he managed to do so at a time of extraordinary upheaval in the Church and in the nation by faithfully fulfilling his challenging responsibilities as priest, bishop and archbishop of one of the largest metropolitan sees in the world. All the while he was battling, in heroic silence, the insidious cancer which would ultimately take him to his grave..

His love for life, family, the priesthood and for his friends was only exceeded by his love for Jesus who inspired all the rest. This moving account of his life is a heartfelt tribute to a man of God who may well have been a saint."

*Thy Will Be Done*, US \$10.00

## A PRIEST FOREVER

The Life of Father Eugene Hamilton By Fr. Benedict J. Groeschel, C.F.R. with a foreword by John Cardinal O'Connor.

Fr. Benedict Groeschel tells the true story of a faith that moved mountains. Eugene Hamilton knew he was destined to become a priest, and he would let nothing, not even terminal cancer, stand in his way. Gene was a seminarian whose physical life was ravaged by illness but whose spiritual life was rich and vibrant. Taking Terence Cooke's complete trust in God as his model and praying through the intercession of the Cardinal, Gene transformed suffering into hope. He kept extensive notes during his last months, which form the basis of this book. Fr. Groeschel picks up the written legacy and delivers this gift to all of us from a man who was ordained only three hours before he died but who will remain a priest forever. *A Priest Forever*, US \$15.00
